Unlock your Potential with a Traineeship

A Traineeship is an extended work placement programme, designed to help you gain experience, develop work place skills and build your CV to get into employment.

Intec Business Colleges work with a range of employers offering 10 week work experience programmes to 16 -24 year olds in the following areas:

CUSTOMER SERVICES

BUSINESS ADMIN

ICT

TEAM LEADING

DIGITAL SKILLS

LEAN OPERATIONS

RETAIL

EVENT PLANNING

We will support you every step of the way, starting with pre-employment training which will help you develop the skills employers are looking for. We will place you with a supportive employer to complete your work experience, keeping track of your progress and providing further training. Through the programme you will:

- ✓ Develop workplace awareness.
- ✓ Build confidence.
- ✓ Develop your CV.
- ✓ Improve your English and maths.
- ✓ Participate in a guaranteed job interview at your work.
- ✓ Develop techniques to secure that job!

On completion of your Traineeship you may progress to an Apprenticeship as you start to build your future career.

Enabling you to develop, progress and achieve.
